

# CLEAT DIAMOND DYNASTY 2.0

You Spoke–We Listened! Off season conditioning has led to a dramatic weight loss. The words 'heavy' and 'Ringor' will never again be in the same sentence. Same quality and comfort in this lighter, faster, better cleat.

## Model #:

Youth: 1242 Women's: 2242

## Size Range:

Youth: 1.5–6 Women's: 5.5–12

## Colors Available:

Black, Red, Navy, White, Grey/Black, Royal, Orange, Purple

## Tongue Flap

Reverse stitching lays down flat while protecting laces from abrasion.

## Lockdown Lacing System

Provides smooth, secure and even lacing pressure.

## Leather Upper

Durable, comfortable, real leather construction (Youth – Premium synthetic upper)

## Raised Heel

Creates a natural orthopedic lift. Promotes comfort and distributes weight evenly across the foot.

## EVA Midsole

Running shoe inspired to minimize pressure from impact and shock.

## FLEX-POINT

Designed to mimic the natural plantar flexion of the foot, providing a more comfortable fit during accelerating and decelerating.

## RING-GRIP™ Cleat Pattern

Ringor's patented design. This circular design is made up of 2 rings that dig at different angles to provide Power Steering. A perfect balance of comfort and performance.

# DIAMOND **DYNASTY**<sub>TURF</sub>

Indoor or out, our turf trainers give you the performance you expect from Ringor. Wider in the toe, neoprene comfort collar at the heel and an anti-odor insole makes this turf trainer a fastpitch necessity.

Colors Available:

**Model #:**

Women's: 4242 Men's: 4240

**Size Range:**

Women's: 5.5-13 Men's: 7.5-15

**Colors Available:**

Women's: White, Black, Grey/Black, Red, Navy  
Men's: Black, Grey/Black

**Neoprene Tongue**

New Neoprene tongue designed for comfort.

**Lockdown Lacing System**

Provides smooth, secure and even lacing pressure.

**Leather Upper**

Durable, comfortable, real leather construction.

**F.A.S.T.™ Arch**

FIXED ARCH SUPPORT TECHNOLOGY (F.A.S.T.™)

Increases comfort, support and stability.

**Full-Length REVA Midsole + Shock Sock**

A softer REVA midsole and shock sock layer below the insole make these shoes comfortable all day long.

**Studded Rubber Outsole**

Traditional traction turf sole is non-marking and great for indoor training. It is designed to grip and hold on multiple surfaces like grass, dirt and turf.

Available with Pro-Tec-Toes

# DIAMOND FIT SOCK

The Diamond Fit Softball Sock is the best performing sock. The unique construction creates a more comfortable, performance boosting fit. The PolyPro material provides an excellent blend of moisture management and odor fighting properties.

**Model #:** 100

**Size Range:** S(4-7) M(8-10) L (11-13)

## **Materials**

75% Polypropylene, 13% Nylon, 9% Elastic, 3% Lycra®

## **Double Welt Top**

Comfortably holds the sock in place.

## **PolyPro Material**

Wicks moisture away from feet to outer layer of sock to speed evaporation.

## **Embedded Antimicrobials**

Helps to prevent odor from setting in.

## **Ankle Compression Zone**

Light compression for increased ankle support.

## **Heel / Toe Cushioned Sole**

Increases shock absorption for heel & forefoot.

## **Arch Compression Zone**

Cradles arch for added support.

## **Smooth Toe Seam**

Helps to prevent "bunching" and aids in the reduction of blisters.
